

Worship Discovery ***September 2008***

What a summer! My wife, Pam has traveled with me for the larger part of the summer. It has been a delight to travel with her and to benefit from her teachings and music. Here are just a few highlights...

The Worship Institute:

In June, hundreds of worshipers from around the world convened to bless the Lord and to wait on Him. While we worshiped together, we were searching for God's purposes and momentum for the days in which we live. We were exhorted to get beyond the "worship trends" and to get "personal" with our lord and His purposes.

Steve Fry serves as president for the Worship Institute, held in Dallas, TX. He and the board; Glen Roachelle, Ed Chinn and Howard Rachinsky, did an incredible job facilitating this momentous annual event. I believe this is my 18th year teaching and playing for the Worship Institute.

Sioux City Iowa:

A new friend, Bob Henderson invited Pam and I to speak and teach at his "Cross Roads" worship conference. The Lord encouraged His body in the "Heart Land" with a challenge to trust Him and His purposes for their future. It was a delight to see people from many different denominational backgrounds coming together to worship our Lord.

Life International:

Our longtime friends, Donnie and Cindy Rogers, pastor a new church plant in Augusta, GA. As I spoke to the congregation on Sunday morning, I had a very real sense of our generous Lord's healing and restorative power moving through the congregation, bringing hope and faith for the future and challenging those present to embrace His "goodness."

Our Lord is bringing a season of recalibration, reorientation and a fresh, aggressive faith toward His purposes, as we minister.

In Focus Church, Augusta, GA:

Sept. 18-20 I will be ministering at In Focus Church, Augusta, GA. Brent Garrard (Pastor) and his staff does a remarkable job of facilitating this event. If you are in the area please take advantage of this marvelous opportunity to expand your worship experience. The church number is 706 868 7788.

Travel Abroad:

Worship Discovery is already making plans for our 2009 trek back to Europe and the Middle East. During these uncertain times it is even more important that we take the message of worship to the nations.

Home Gathering:

Beginning in September 2008, Pam and I will be hosting a monthly meeting in our home. This meeting's only "agenda" is to offer fellowship and worship. If you're available, we'd be glad to have you visit with us. You can call 910 567 5652 for details.

Thank you for your prayers and support. I am honored that you stand with us in opening the doors to worship, both here in the states and in the nations of the world. Our purpose remains; "That His worship may increase"!
